amended under 17 C.F.R. 201.10. (b)

I hereby state that I have reviewed and orders and the contents of this pre-determined specimen including the name as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 35, United States Code, and 37 CFR.

I do not know and do not believe the same was ever known or used in the United States of America before my or our invention, then or not patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representative or assigns more than twelve months (six months for designs) prior to this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representative or assigns, except as follows:

I hereby claim to reign priority benefits under Title 35, United States Code, § 119 for a set of any foreign application(s) for patent or inventor's certificate listed below and have also submitted below any foreign application for patent or inventor's certificate having a filing date earlier than that of the application on which priority is claimed.

1. *Phragmites australis* (Cav.) Trin. ex Steud.

• **Don't** use the word "and" to connect two ideas. It's a weak word. Use "but" or "however" instead.
